INTRODUCTION

On the 348 rolls of this microfilm publication are reproduced the applications submitted for shares of the money that was appropriated for the Eastern Cherokee Indians by the Congress on June 30, 1906. The Eastern Cherokee applications, August 29, 1906-May 26, 1909, are part of the Guion Miller Enrollment Records that are among the records of the U.S. Court of Claims. This publication also includes a general index to Eastern Cherokee applications (two vols.).

History

Before the U.S. Court of Claims was established in 1855 there was no procedure by which claims arising against the U.S. Government could be enforced by suit. Consideration of claims was provided for when the Treasury Department was established in 1789; later acts of the Congress authorized the Department to settle all claims by or against the Government. If a claim was rejected by the Treasury Department, the claimant's only course of action was to appeal directly to the Congress. Petitions to that body for relief had become so numerous by the middle of the 19th century that the Congress was beginning to find it impossible to make the proper and necessary investigations for actions on the claims.

The U.S. Court of Claims was established by an act of February 24, 1855, to hear claims against the United States including those referred to the court by the Congress, based on any law of the Congress, any regulation of an executive department, or any contract with the Government, whether explicit or implied. Under this act the court served only as a factfinding agency, and its conclusions were submitted to the Congress for approval and for the granting of awards. In 1863 the Congress enlarged the court's jurisdiction and gave it authority to render judgments against the Government, with the right of appeal to the Supreme Court. An act of 1925 abolished appeals from the Court of Claims to the Supreme Court and substituted writs of certiorari.

An act approved July 1, 1902 (32 Stat. 726), gave the Court of Claims jurisdiction over any claim arising under treaty stipulations that the Cherokee Tribe, or any band thereof, might have against the United States and over any claims that the United States might have against any Cherokee Tribe or band. Suit for such a claim was to be instituted within 2 years after the act was approved. As a result, three suits were brought before the court concerning grievances arising out of the treaties:

(1) *The Cherokee Nation v. The United States*, General-Jurisdiction Case No. 23199; (2) *The Eastern and Emigrant Cherokees v. The United States*, General-Jurisdiction Case No. 23212; and (3) *The Eastern Cherokees v. The United States*, General-Jurisdiction Case No. 23214.

On May 18, 1905, the court decided in favor of the Eastern Cherokees and instructed the Secretary of the Interior to identify the persons entitled to participate in the distribution of funds for payment of the claims. On June 30, 1906, the Congress appropriated more than \$1 million for this purpose. The task of compiling a roll of eligible persons was begun by Guion Miller, special agent of the Interior Department. In a decree of April 29, 1907, the court (1) vacated that part of its earlier decision that had given the Secretary of the Interior responsibility for determining the eligibility of claimants and (2) appointed Miller as a special commissioner of the Court of Claims.

The same decree also provided that the fund was to be distributed to all Eastern and Western Cherokee Indians who were alive on May 28, 1906, who could establish the fact that at the time of the treaties they were members of the Eastern Cherokee Tribe or were descendants of such persons, and that they had not been affiliated with any tribe of Indians other than the Eastern Cherokee or the Cherokee Nation. The decree further provided that claimants should already have applications on file with the Commissioner of Indian Affairs, or should file such applications with the special commissioner of the Court of Claims on or before August 31, 1907. Additionally, applications for minors and persons of unsound mind were to be filed by their parents or persons having their care and custody, and applications for persons who had died after May 28, 1906, were to be filed by their children or legal representatives.

In his report of May 28, 1909, Miller stated that 45,847 separate applications had been filed, representing a total of about 90,000 individual claimants, 30,254 of whom were enrolled as entitled to share in the fund--3,203 residing east and 27,051 residing west of the Mississippi River. On June 10, 1909, the court confirmed and approved the roll, submitted by Miller in his report, of Eastern Cherokees who were entitled to a share of the fund except "so much as shall be expected (excepted) to on or before August 30, 1909." After the exceptions had been filed and investigated, Miller submitted a supplemental report and roll to the court on January 5, 1910. In this report he stated that about 11,750 exceptions had been made, that the names of 610 persons (238 east and 372 west of the Mississippi) had been added to the roll, and that the names of 44 persons (5 east and 39 west of the Mississippi) had been stricken from the roll because clerical errors in enrollment had been discovered. Thus the final figure on the total number of persons entitled to share in the fund was 30,820, of which 3,436 persons

resided east and 27,384 resided west of the Mississippi River. On March 15, 1910, the court finally decreed that the rolls be approved and that, after certain deductions for expenditures, payments were to be made equally among the Eastern Cherokees who were enrolled. The court also authorized the Secretary of the Treasury to issue a warrant in favor of each person.

In certifying the eligibility of the Cherokees, Miller used earlier census lists and rolls that had been made of the Cherokees by Hester, Chapman, Drennen, and others between 1835 and 1884. Copies of some of these rolls and the indexes to them are filed with the Miller records (filmed as M685). Other enrollment records used by Miller are among the classified subject files of the Bureau and are designated as "33931-11-053 Cherokee Nation."

Records

The applications contain sworn evidences of identity and were filed with the Interior Department's Office of Indian Affairs until April 29, 1907 (the last application was No. 22268), after which the applications were filed directly with the court. The application required each claimant to state fully his or her English and Indian names, residence, age, place of birth, name of husband or wife, name of tribe, and names of children. It further required the English and Indian names of the claimant's parents and grandparents, place of their birth, place of their residence in 1851 if they were living at that time, dates of their death, and a statement as to whether any of them had ever before been enrolled as Indians for annuities or other benefits and, if so, with what tribe. Each claimant was also to furnish the names of all brothers and sisters, with their ages and residences, and the names and residences of all uncles and aunts. Applications were required to be made under oath and to be supported by affidavits of two witnesses who were well acquainted with the applicant. With each application is a card showing final action taken and the reasons therefore. Filed with many of the applications are inquiries concerning the status of the cases, requests for further evidence, protests about unfavorable actions, form letters that had been sent by the special commissioner to the applicants as notices of rejection of their applications and returned by the Post Office Department as unclaimed, affidavits and statements of witnesses, powers of attorney, and last wills and testaments. The applications are arranged by the number assigned at the time the application was received. There are some gaps in the application numbers; these are explained on insert sheets at the appropriate places on the film. The index is arranged alphabetically by name (either English or Indian) of claimant.

Many of the files contain a cross-reference card to other applications. This cross-reference card often refers to the EX file, the report on exceptions filed by Miller on January 5, 1910.

Related Records

The records reproduced in this microfilm publication are part of the records in the custody of the National Archives and Records Service (NARS) designated as Records of the U.S. Court of Claims, Record Group (RG) 123. Among related records in this record group are additional records relating to Miller's enrollment of the Eastern Cherokees. These include receipts for Treasury warrants and miscellaneous correspondence, 1906-11. The original of these records is in RG 123; a copy is in RG 75.

Some related records in Records of the Bureau of Indian Affairs, RG 75, have been reproduced as NARS Microfilm Publication T496, *Census Roll, 1835, of the Cherokee Indians East of the Mississippi and Index to the Roll*. Also in RG 75 are the classified subject files of the Bureau.

Records Relating to Enrollment of Eastern Cherokees by Guion Miller, 1908-10, M685, contains the general index to Eastern Cherokee applications, 2 volumes; the report submitted by Guion Miller, May 28, 1909, 10 volumes; the roll of Eastern Cherokees, May 28, 1909; the report on exceptions filed, January 5, 1910; the supplemental roll of Eastern Cherokees, January 5, 1910; transcripts of testimony, February, 1908-March 1909, 10 volumes; various indexes and rolls of Eastern Cherokee Indians, 1851, 1854, and 1884; and miscellaneous notes and drafts.

Additional records relating to the enrollment of Eastern Cherokee Indians are in Records of the Office of the Secretary of the Interior, Record Group 48.

These records were prepared for filming by Jestine Turner and William D. Grover, who also prepared these introductory remarks.

That I am 39 years of age and live in Riceville, Tenn. My husband died on Aug. 9, 1907. He claimed his Indian descent thro his mother. I don't know what percent she was. He showed the Indian blood, but I don't know how much he claimed. I don't know the names of husband's grandparents. My husband's ~~xxxxxx~~ aunts are Sally Perry. That's all I remember. My husband was 47 when he died, at least, I think he was. My husband's mother never lived with the Indians that I know of. Don't know where his mother was born and raised and don't know anybody who does. He was recognized as a white man. Don't know that his parents or grandparents were ever on any roll.

COURT OF CLAIMS
EASTERN CHEROKEES.
Rec. JAN 13 1908
No. 19743

1908

Application of Robert A. Evans, # 19743, for participation in fund for
Eastern Cherokees.

State of Georgia, Hall County.

Personally appeared before the undersigned, Robert A. Evans, who being duly sworn depose and saith, that he is the Robert A. Evans, who made application for participation in the fund for the Eastern Cherokees, and that he does not know whether he was enrolled in 1851, or not; and if he was enrolled he does not know under what name he was enrolled, but that deponent never went under any name, except Robert Evans, since he could remember,

Deponent is unable to state why his father was not enrolled in 1835, or in 1851. My grand father Robert Evans, my father Robert Evans, and my grand mother Mahaley Welch, were all recognized as Cherokee, but deponent is unable to state why they were not enrolled with the tribe.

My grand mother was Mahaley Welch, and not Welcher, it was the mistake of Mr. Johnson in getting the name Welcher instead of Welch. Mahaley Welcher as stated in deponent's application should have been Mahaley Welch.

Deponent states as a reason for stating Mahaley Welch was a Cherokee Indian, is because: the indian blood predominated, and every year, so long as Mahaley Welch lived, numbers of indians would come from North Carolina to see her as a member of the tribe, and she would care for them and entertain them after their fashion, and for a number of years it was deponent's task and duty to take the Indians back to the toll gate, and would with money furnished pay their way through the toll gate across the mountain.

Mahaley Welch talked Indian better, and understood it better than she did english; no one who was not accustomed to her could hardly understand her at all. Deponent stated that his grand mother was nearly or quite a full blood Cherokee Indian, and deponent still believes this to be true, and bases this statement from her complexion, which was a dark yellow, from her hair, which perfectly black, and as coarse nearly as a horses hair, and very long. She would sleep much in the day time, and stay awake nearly all night whooping and halloaing like Indian.

Deponent does not know who his grand mother's father or mother were; his grand mother would not permit a Bible in the house, and no record was kept of names or ages; she would not go to religious services, and when de-

#2.

ponent's grand father Robert Evans, died his grand mother objected to going to the expense of a christian burial.

Deponent states as another reason for saying his grand mother was an Indian, ~~is~~ is, that the visiting Indians brought her dresses trimmed in beads as some sort of honor to her, and indian baskets and pockets trimmed richly in beads, and she was buried in an indian dress trimmed with beads.

My grand mother, her father and mother came from North Carolina, so I learned from them. The statements of the other witnesses were their ideas, and no one tried in any manner to persuade them to change their views.

My father lived with the Cherokee Indians in North Carolina, so I have been informed and believe. My grand mother, Mahaley Welch lived with the Eastern Cherokee Indians, so deponent is informed and believes in North Carolina, also. Deponent received this information from the family.

Deponent does not know whether his grand mother ever made any application to share in the money under any treaties, nor does he know whether his father ever made such application, or whether he shared or participated in same. Deponent nor any of his ancestors were ever held as slaves, so far as the knowledge or information of deponent goes.

App. No. 19743

December 7, 1907.

Robt. A. Evans,
Gainesville, Ga.

Sir:-

Relative to your application, No. 19743, for participation in the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees, you state you were born in Lumpkin Co., Ga., in 1840 and lived with your parents in in that county in 1851.

Were you enrolled in 1851, and if so, under what name? Was your father, Robert Evans, enrolled in 1851 and if so, under what name? The names as given in your application do not appear to be on the roll of 1851, nor does the name of your father, Robert Evans, appear on the roll of 1835. Why was he not enrolled at that time?

You claim Cherokee descent through your father, Robert Evans, and your grandmother, Mahaley Welcher, who died since 1865. The name of Mahaley Welcher does not appear on the roll of 1835 nor on the roll of 1851. Please advise this office if your grandmother, Mahaley Welcher, and your father, Robert Evans, were ever recognized Cherokee Indians, and if so, why they were not enrolled with the tribe.

Was Mahaley Welch and Mahaley Welcher the same person? What reason have you for stating that Mahaley Welcher was a Cherokee Indian? Relative to her alleged Cherokee blood and the degree of

R.A.E.2

the same, there appears to be some disparity in the information now before this office. You state that you "know your grandmother was nearly or quite a full-blood Cherokee Indian". How do you know this? Who was her father? Who was her mother? Where did they live and when did they die? Others says she was "nearly or quite a half-blood Cherokee Indian".

Did your father, Robert Evans, ever live with the Eastern Cherokee Indians? If so, where? Did your grandmother, Mahaley Welcher, ever live with the Eastern Cherokee Indians? Did she make any application to share in the money paid the Eastern Cherokee Indians under the treaties of 1835-6 and 1846 at the time of the payment in 1851? Did your father make any such application at that time to participate in this payment?

Were you or your ancestors ever held as slaves?

If Mahaley Welcher was a recognized Cherokee Indian at the times of the treaties of 1835-6, it will be necessary for you and those claiming through her, to furnish this office with evidence of a most conclusive and convincing character establishing this fact. You must further furnish this office with good, sufficient and conclusive evidence establishing the fact that your father, Robert Evans, who must have been living in 1835 - since you were born in 1840 - and died so late as 1889, was a recognized Cherokee Indian at the times of the treaties of 1835-6, and the reasons why he was not enrolled with the Cherokee Indians in 1835 and 1851. You will also furnish this office with good, sufficient and conclusive evidence why you yourself were not enrolled in 1851.

Very respectfully,

JET/LJC

Special Commissioner.

Were any of your ancestors ever slaves?

An early reply will be appreciated.

Papa said it would be

he was not enrolled
I know we were entitled

my Great Grandfather

Sir:-

In answer to your letter of 10th. Inst., in regard to my claim "Appln. No. 19769-19757," I desire to state that the proof or statement hereto attached of Highley Grimes composes the statement relative to myself on the mother's side as my mother is the said Highley Grimes.

On the other side my father's father was a full blooded Indian by the name of Ed Grimes and belonged to the Eastern Cherokee Tribe. I do not know why they never enrolled. They are all dead on my father's side.

I understand from your said communication that my statement is all that is called for. If there is anything else desired please advise me.

Respectfully,

Attest.

Highly Grimes, being first duly sworn and examined,
deposes and says:

My name is Highly Grimes: I was born in
Serray Co., N. C. about 1840: I claim my Indian blood through
my father: I make no claim through my mother: she was a white
woman: my father was born in N. C.: I do not know the county:
I do not know when my father was born: my father got his
Indian blood through both his father and mother: my grand
parents were never members of the Cherokee tribe: my grand
parents were full blooded Cherokees: neither I nor any of
the ancestors through whom I claim were ever enrolled and never
received any money or land: I think my grand parents
and father lived in Serray Co., N. C. in 1835: in 1851 they
were living in the same place: none of my ancestors ever
went West with the Indians that I know of: none of my
relatives ever had an Indian name: none of the ancestors
through whom I claim were ever held in bondage: Katie
Lee (april 11. 19769) is my daughter: she claims through her father
also: her father was born in Ashe Co., N. C. about 1826:
her father claimed his Indian blood through both his father
and mother: her grandmother's maiden name was Rachel Underwood:
her father & grand parents never lived with the Indians as
a member of the tribe: none of her relatives ever were
enrolled and never went West with the Indians or never had an
Indian name: she was never enrolled: her father was a three-
quarter Cherokee: both I and my daughter are regarded as Indians
in the community in which we live: the husband of my daughter
is a mulatto.

Sir:-

Your communication of the 10th. Inst. to hand relative to my claim No. 19758 in the above Court, in which you ask me to state why myself, or ancestors were never enrolled and if any of my ancestors were ever slaves.

In reply to the same I cannot tell why they never enrolled unless it was because they were ~~never~~ slaves.

My mother was, whose maiden name, Millie Shanklin, was one half colored and the other half indian. Her father was full blooded indian of the Eastern Cherokee tribes. My mother has been dead for a number of years. My father was a white man.

If you desire any further evidence than that of myself I will be glad to make the effort but by the reason that my old friends and ancestors are all dead this is as close as I now get to the matter. My grandfather was sold early as a slave.

Special Commissioner of the Court of Claims,
Eastern Cherokee enrollment,
Washington,
D. C.

Sir:-

In answer to your letter of the 10th. Inst. relative to my claim No. 19760 for a share in the funds arising from the decree of the Court of Claims in favor of the Eastern Cherokees I beg leave to reply as follows:

1. My grand father on my father's side was Henderson Johnson. My grandmother on my father's side was named West or went by that name as she was a slave and belonged to the West family. She was nearly half Indian. I do not know the Indian name of my grandparents. The grand parents on my mother's side never had any Indian blood in them. I don't know whether or not they ever enrolled.

2. Because I never heard of an opportunity to enroll is the reason I never enrolled.

3. I guess that is the reason my parents never enrolled also.

4. My mother and her parents were slaves. My father's parents were slaves.

I will be glad to ^{furnish} ~~the~~ any further information that may be necessary.

born in Carter Co., Tenn., 1826; my father claimed his Indian
blood through his father, George Duffield: I am unable to
trace my Indian ancestry farther back than my grandfather:
my grandfather was a full blooded Cherokee Indian: I think
my grandfather was born in Ala.: I do not know the date
nor the county: my grandfather was never enrolled that I
know of: my father never lived with the Cherokees that I
know of: my father was held in bondage: he was held in
bondage by white people: my grandfather was given to a
white man by a Cherokee chief: about 1820: he never lived
with the Cherokee Indians after that time: I was born
in slavery.

Relative to your application for participation in the fund arising from the decree of the Court of Claims in favor of the Eastern Cherokees, would say that it contains practically no information concerning your ancestors. Unless you can furnish this office with additional information your claim cannot be further considered. The information required is as follows:

1. State the names of your grandparents on both sides, and whether they, or any of them, were ever enrolled?
2. Why have you never been enrolled, and why have your parents never been enrolled?
3. Were you and your ancestors ever slaves?

Give any other information obtainable tending to establish your claim.

An early reply will be appreciated.

SPECIAL COMMISSIONER OF THE COURT OF CLAIMS,
EASTERN CHEROKEE ENROLLMENT,
WASHINGTON,
D.C.

Sir:-

Your letter of March, 10th. relative to my claim on "Appln. No. 19766-19769" arising from the decree of the Court of Claims in favor of the Eastern Cherokees, to hand.

My Grandfather on my father's side was named James Johnson, and my grandmother's name on same side was Eliza Johnson. On my mother's side my grandfather was named Edward West and my grandmother on same side was Clara (Ara) West.

They or any of them were ever enrolled is my information.

The reason none of us never enrolled was because of slavery and never having had the opportunity.

All my ancestors on my mother's side were slaves. I was not a slave.

I cite you to the affidavit of E.H. West herewith enclosed which explains those matters as fully as I can.

My grandmother's name was Clara but the West know her as "Ara" because all of the white people called that by way of a nick-name. In my original claim I referred to her as Clara because that was her real name.

Jonathan Burton,

Advance,

North Carolina.

Sir:-

Your letter of July 12, 1907, relative to when the fund arising from the judgment of the Court of Claims in favor of the Eastern Cherokees will be paid, is at hand.

You are advised that the applications have not been taken up for final consideration as the Court of Claims in its order of April 29, 1907 has extended the time for the filing of applications to August 31, 1907, and until the applications have all been filed it will be impossible to give final consideration to any of them.

As there are already over 29,000 applications on file and the claimants are widely scattered through the United States, it will necessarily take considerable time to have all of these cases adjudicated, and until they are so determined no money can be distributed.

If there is any further information required in connection with your application you will be duly notified.

Your postage stamp is returned.

Very respectfully,

Columbus Roberts, after being first duly sworn,
deposes and says:

I am about 54 years of age; live in Cherokee County, N.C.; was born in Monroe County, Tenn. I claim my Indian blood through my mother. I think she went by the name of Octava Burleson. I do not know when she was born. My mother was not married more than once. She was married to my father, Gale Roberts. I think my grandmother went by the name of Coleman. I claim my Indian blood through my grandmother but cannot say positively what her name was. I know my grandmother. I was about 40 years of age when my grandmother died. She was about 90 years old. I think she was born in Buncom County, N.C. My grandmother may have been married twice but I do not know about that. I do not know that my grandmother went West. I had some uncles that went West. Isaac Burlison went West. When I first knew my grandmother I cannot say by what name she was known. I understood that my grandmother was pretty near a half Indian. I never heard them say what kind of Indian blood she had. Never heard her say where her parents came from. My mother and grandmother were living in Tennessee in 1851. I never heard of my mother or grandmother drawing any money as Indians. We were generally known in the vicinity as white people.

Robert O. Cox being first fully sworn deponent and says:

I live at King, Stokes County, N.C. I am 26 years of age, was born near Madison County, N.C. Colored boy and Sarah Black were my parents. I claim Indian blood through both my father and mother. My father was born about two miles from Newville, N.C., in Gaston County. My mother was born at Pine Garden, near Newville. My grandfather on my father's side was John Cox, and was a full-blooded Cherokee. He was born at Newville, N.C. He died before I can remember. My father was 80 old years of age at the time of his death, in 1907. He served in the Yankee and the Mexican wars. My grandfather on my mother's side was Joseph Black. I do not know the date of his birth, nor how old he was at the time of his death. I do not know her name at all. My mother was about 70 at the time of her death. My grandfather, Joseph Black, was born near Pine Garden. My grandfather, John Cox, and his wife, were both Cherokees. I think, also my grandfather, Joseph Black, and his wife were both full-blooded Cherokees Indians. My grandmother on my father's side was Mary Brown. My grandmother on my mother's side was a white woman. All four of my grandparents were full-blooded Cherokees Indians; they were born and lived near Newville, N.C. My father told me once he said that he was a "Cherokee Indian". He said he was a little bit of mixed blood. His people were the same as the Indians, and were not allowed to vote or go to school. I have never attended the schools, and we were called "half-breeds" by the whites. I suppose that Mr. R. H. Smith, or some one else, was allowed to go to school at the Indian School, and that is what it was. Mr. John Miller first told me of this school. I live at King, N.C. now. I like the life here better than anywhere ever gave me any more of anything I want. I have always been fairly regarded as a good Indian. I did not live and then ever lived with the Cherokees Indians. I do not know what my grandparents ever lived like the Indians, but they are living in Gaston County. I have never voted. I think I would, but have never tried. My father voted. I do not know where any of my grandmothers ever lived. My mother was born near Newville.

Sir:-

Relative to the application of William H. Francis, No. 19312, and that of his wife, Elizabeth Francis, No. 19313, I have to advise that I do not find on the records of this office, and through the registers through which they have claim as having been admitted to the rolls of 1838 or 1841. William H. Francis states in his application that he was born in 1810, and that he was admitted to the rolls of 1838 or 1841, and that he was admitted to the rolls of 1838 or 1841. I have not found their names there.

Please advise them that if both of them are admitted, please advise them that they are not admitted to the rolls of 1838 or 1841, and that they are not admitted to the rolls of 1838 or 1841.

Very respectfully,

Samuel H. Johnson.

Correspondence solicited upon any subject
pertaining to claims against the Government.

Always enclose postage and fee for
search when title is involved,
to insure prompt reply.

BEFORE MAILING YOUR REPLY READ THE LETTER CAREFULLY AND SEE THAT ALL INQUIRIES ARE FULLY ANSWERED.
As our expense for postage is very heavy, parties writing us should bear in mind that we are correspond-
ing with those concerning their own business, that we get no pay at all unless we get the claim allowed,
and always enclose a sufficient number of stamps for conducting same. The matter of postage is impor-
tant to us, and we are obliged to ask each claimant to keep us whole in this respect, and as this is only
reasonable and right, we hope you will comply in your own case. The average amount of postage re-
quired is in original and new disability cases about six, straight increase suits.

ATTORNEYS AT LAW,**

P. O. BOX 105.

Washington, D. C.

April 24, 1900

Hon. F. E. Leupp

Commissioner of Indian Affairs,
Washington, D. C.

Dear Sir:-

Replying to your letter of the 19th. inst. in the mat-
ter of the following Eastern Cherokee applications:

No. 13291, Agnes Turner,

No. 13292, David Turner,

No. 13294, Mamie Turner,

No. 19321, Maggie Wright.

You are advised that all of these claimants are children of Clar-
inda Turner, No. 17,537, and are all minors. They are all living
with their mother at Rome, Ga. R.F.D. No. 4, with the exception of
Maggie Wright, who is married and living with her husband, Dan Wright,
and whose postoffice address is Collinsville, Ala. Route 3. This
girl, born April 1st. 1888 is but nineteen years of age, and misled by
the instructions requiring all minors to file through their Guardian
or the person having their care and custody, supposed that the proper
party through whom to make claim was the natural guardian, in this
case the mother, and the claim was filed March 29th. 1907, too late to
make any corrections.

Several cases of this character have been filed under similar
circumstances, and we suppose the claims filed will be sufficient to
hold against the limitation, and if amended or supplemental applica-
tions are required we will endeavor to furnish the same as soon as possible
after being advised of the ruling of the Department on this point.

Respectfully,

J. C. DePutron

Sir:-

Your favor of the 30th ult., relative to my claim for participation in the Eastern Cherokee fund, has been received. You ask if I claim to be an Eastern Cherokee Indian, by blood, through any other line of decent than through Donahoo and Bettie Pledge Poindexter. To the best of my knowledge, my relationship comes only through Bettie Pledge Poindexter. She was undoubtedly an Eastern Cherokee. Records were badly kept in North Carolina at this time. Her ancestors may have been known under a name of which I have been able to learn but little.

If I am able to learn additional facts, I will let you know.

Very respectfully yours,

George W. There being first duly sworn deposes and says:

I am 61 years of age, and live in Surry County, N.C. I was born in Stokes County, and, with the exception of three years in Virginia, I have lived in Stokes County all of my life. Northfleet There and Frances There were my parents. They were born in Halifax County, N.C. and directly after their marriage, about 1835, they moved to Stokes County. I claim Indian blood through my father. I did not know my grandparents. They lived in Halifax County. Sarah Jackson, my sister, was born in Halifax County, and two other of the children, John and Elizabeth, were also born in Halifax County. I have heard my father say that his father was a full blood Indian. I have heard my father and mother speak of seeing the Indians passing back and forwards through the country where they used to live. This was in Halifax County, before I was born. I do not know where they were going or where they came from. I do not know whether my father lived with the Indians or not. I have been back to Halifax County and made inquiry as to my family, but could find no trace of them. I never lived with the Indians. I have never heard my father say that he had been enrolled with the Indians or had received any money as an Indian. I have never been enrolled as an Indian or received any money. I do not know what tribe of Indians formerly lived in this country. I have never heard that the Choctaws or Chickasaws lived in this country, but I have heard my father say that the Cherokees lived in the eastern part of North Carolina. The tribe to which my grandfather belonged lived in North Carolina, as I have heard my father say. I have always passed as white. The tribe to which my grandfather belonged lived in Eastern North Carolina.

 He was a Cherokee Indian; I only know my father said so, and have
 no other evidence than what he told me; my sisters and brothers
 heard him say the same. I have heard him say this all his life.
 I don't know whether or not my grandfather's wife was an Indian; ne-
 ver heard my father say so. Her name was Mary Nash. I suppose she
 was a white woman, then my father would be a half blood Indian. My
 father had dark eyes, dark red complexion, and long straight hair;
 they would take him to be an Indian before he would tell them. My
 father always claimed to be Indian all his life and voted all his
 life. There never was an election since I can recollect that he
 did not vote. I don't know whether my grandfather voted. I never
 saw my grandfather or grandmother. My grandfather died before I was
 born. I never heard my father speak of getting any money from the
 Government about the time I was born, nor did I ever hear of his
 being enrolled as an Indian. He seemed to appreciate his being kin
 to the Indians. I did not know of my grandfather's being enrolled,
 nor did I ever hear of his receiving any money from the Government
 on account of being an Indian. I don't know, but I suppose my
 grandfather lived all his days in Lockingham Co., because, if he had
 lived and died anywhere else, I would have been likely to have heard
 it. Mr. Hittaker told me about this Indian money; that was the
 first I heard of it; he came to our house before my husband died.
 I have discussed this matter with no one but my own family. I discus-
 ed it since I have been here this time, however. My father was re-
 cognized as a white man in the community in which he lived. He never
 visited the Indians or lived with them, that I know. Before he mar-
 ried, he took a long trip, but could not tell where he went. I claim
 to be an Indian where I live. My husband's name was Miled Miles Wall,
 and he died the 9th of last October. He made a claim for himself on
 his father's side. I don't know what relation he was to the Indians;
 never heard him say; he only said that his father was kin to the In-
 dians. He was 70 years old (about) when he died. He was born in Sur-
 ry Co., and lived there all his life. He always voted; he was a
 particular man about that. I have heard him say he was kin to the
 Indians, but I never heard him say to what tribe. I never saw his
 father; he has been dead a long time. I discussed my husband's case
 with Mr. Hittaker, and told him I could not testify to what tribe,
 but I think he was a Cherokee because he was born and raised in Surry
 Co. I did not discuss it with anyone else. My husband had 11 broth-
 ers and sisters, but they are all dead, but his children and nephews
 and nieces have all applied, and his grandchildren. I heard Mr. Wall
 say that he guessed he belonged to the Cherokees because he lived in
 Surry Co., and that he must be a Cherokee in order to make a claim,
 and, on account of being in Surry Co., he guessed that they were the
 one he was kin to. He must be a Cherokee Indian (he said) in or-
 der for his claim to be any good. I think my husband's father was
 born and raised in Surry Co., N. C.; his name was Michael Wall. My hus-

Roxey J. Wall--2.

band was never enrolled that I know of. I lived with him 17 years, and, if he had been enrolled, I think I would have been likely to have known it. If he received any money from the Government, I never heard of it.
